### FACILITATING YOUR HEALTHY EQUINE ADDICTION!

This three day Advancing Horsemanship Clinic will walk you through Richard's "4 Part Harmony" exercises. You will establish communication and suppleness of your horses' head and neck, shoulders, rib cage, and hind quarters. You'll gain a greater understanding of collection, lead changes, and refinement.

This clinic will prepare you to perform at a higher level, regardless of your particular riding discipline.

*"Richard has an amazing ability to watch and instruct the whole group at the same time. I observed him handle two groups of riders, one at each end of the arena working cattle while he was in the middle riding a participants needy horse and he expertly handled all three with ease."*

Honest Horses Magazine - Cheryl Caldwell, Co-Owner

### Spectators Welcome!

\$25 per day  
\$50 for all three days
